PORTFOLIO CRITERIA CHECKLIST – OVERALL PORTFOLIO

❏ **Persuasiveness**

- Does your portfolio give ample evidence that your selected problem is important?
- Does your proposed policy address the problem directly?
- Does your portfolio explain how you might gain public support for the proposed policy?

❏ **Practicality**

- Is your proposed policy practical and realistic?
- Is your plan for gaining support for your proposed policy realistic?

❏ **Coordination**

- Does each of the four parts of your display portfolio relate to the others without repeating information?
- Does the documentation section of your portfolio provide evidence to support your display portfolio?

❏ **Reflection**

- Does the section where you reflect on and evaluate the development of your portfolio demonstrate that you have thought carefully about your experience?
- Do you demonstrate what you have learned from the portfolio development experience?
